Blackjack Attack: Playing the Pros' Way

Don Schlesinger

Blackjack Attack: Playing the Pros' Way Don Schlesinger
The most important book available to blackjack aficionados since Beat the Dealer by Ed Thorp, Blackjack Attack has been praised by every prominent blackjack expert. In it, Schlesinger answers virtually all of the thorny mathematical questions that have puzzled serious players for years: optimal betting, camouflage, risk analysis, team play, systems comparison, and much more. With twice as much material as its predecessor, this third edition contains new studies bound to intrigue even the most knowledgeable pro, including a complete reexamination of the late Peter Griffin's work, and the publication of the most accurate basic strategy and effects of removal charts ever devised.

From reader reviews:

Jane Cuellar:

What do you think about book? It is just for students since they're still students or this for all people in the world, the actual best subject for that? Just simply you can be answered for that issue above. Every person has various personality and hobby per other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book Blackjack Attack: Playing the Pros' Way. All type of book could you see on many methods. You can look for the internet options or other social media.

John Newton:

What do you with regards to book? It is not important to you? Or just adding material when you want something to explain what you problem? How about your spare time? Or are you busy man? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They must answer that question mainly because just their can do that. It said that about book. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need that Blackjack Attack: Playing the Pros' Way to read.

Glen Hall:

As people who live in the modest era should be up-date about what going on or details even knowledge to make these people keep up with the era that is certainly always change and advance. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This Blackjack Attack: Playing the Pros' Way is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Brittany Gonzalez:

Is it you actually who having spare time then spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This Blackjack Attack: Playing the Pros' Way can be the reply, oh how comes? A book you know. You are consequently out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?
