Carnivalesque

Timothy Hyman, Roger Malbert

Carnivalesque Timothy Hyman, Roger Malbert
Carnivalesque explores the history of humor and the grotesque imagination in Western art from the Middle Ages to the present day. It is structured around four themes: the Tumultuous Crowd, the World Turned Upside-down, the Comic Mask, and the Grotesque Body. Illustrations range from medieval woodcuts and misericords to drawings, paintings, and prints by Brueghel, Jacques Callot, the Tiepolos, James Gillray, and Francisco Goya. Popular imagery from the nineteenth and twentieth centuries is set alongside satirical prints by Daumier, James Ensor, and Max Beckmann. Recent and contemporary works include sculpture by Louise Bourgeois and Paul McCarthy, paintings by Paula Rego and Red Grooms, and video installations by Marisa Carnesky and Leigh Bowery.

The book includes approximately seventy illustrations, with essays by co-curators Timothy Hyman and Roger Malbert.

From reader reviews:

William Perez:

What do you ponder on book? It is just for students because they're still students or it for all people in the world, what best subject for that? Merely you can be answered for that query above. Every person has various personality and hobby for each and every other. Don't to be pressured someone or something that they don't want do that. You must know how great and also important the book Carnivalesque. All type of book can you see on many options. You can look for the internet sources or other social media.

Kenneth Kelly:

Reading can called thoughts hangout, why? Because while you are reading a book especially book entitled Carnivalesque your brain will drift away trough every dimension, wandering in every aspect that maybe not known for but surely can be your mind friends. Imaging each and every word written in a reserve then become one form conclusion and explanation that maybe you never get before. The Carnivalesque giving you another experience more than blown away your brain but also giving you useful details for your better life in this era. So now let us present to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished reading it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Jeannie Brenner:

Your reading 6th sense will not betray you actually, why because this Carnivalesque e-book written by well-known writer we are excited for well how to make book which can be understand by anyone who have read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your own personal hunger then you still doubt Carnivalesque as good book not merely by the cover but also by the content. This is one publication that can break don't evaluate book by its cover, so do you still needing yet another sixth sense to pick this particular!? Oh come on your looking at sixth sense already said so why you have to listening to yet another sixth sense.

Sheri Combs:

Many people spending their time period by playing outside with friends, fun activity using family or just watching TV all day every day. You can have new activity to shell out your whole day by looking at a book. Ugh, ya think reading a book will surely hard because you have to accept the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Cell phone. Like Carnivalesque which is having the e-book version. So , why not try out this book? Let's notice.
