Even Silence Has an End: My Six Years of Captivity in the Colombian Jungle Ingrid Betancourt
"Betancourt's riveting account...is an unforgettable epic of moral courage and human endurance."
-Los Angeles Times

In the midst of her campaign for the Colombian presidency in 2002, Ingrid Betancourt traveled into a military-controlled region, where she was abducted by the FARC, a brutal terrorist guerrilla organization in conflict with the government. She would spend the next six and a half years captive in the depths of the Colombian jungle. *Even Silence Has an End* is her deeply moving and personal account of that time. The facts of her story are astounding, but it is Betancourt's indomitable spirit that drives this very special narrative-an intensely intelligent, thoughtful, and compassionate reflection on what it really means to be human.
