The Ballet Called Swan Lake

Cyril W. Beaumont

The Ballet Called Swan Lake Cyril W. Beaumont
This classic book is the definitive work on one of ballet's greatest and most popular works, Swan Lake. The book is in two parts. The first describes the evolution of Swan Lake from its initial conception to its first realisation by the Austrian choreographer Julius Wenzel Reisinger, which was a comparative failure, followed by the story of the ballet's resuscitation and eventual triumph by Marius Petipa and Lev Ivanov. Included are the original synopses of both the original Reisinger production and the Petipa-Ivanov version. There is an account of Tchaikovsky and his score, together with details of the original settings and costumes, and many of those designed for later productions. The second part of the book is concerned with the actual presentation of the ballet. The choreography of all four acts of the Petipa-Ivanov version is set out in full, with explanations of not only the stage action, but also of how the dancers move, the kind of steps they do, the gestures they make and what they are intended to express. The various roles are also analysed from the dancers' points of view, and some of the problems that may confront both dancer and producer are considered and resolved. Finally, there is a survey of some of the great dancers who over the years have achieved distinction in the roles of Odette-Odile and Prince Siegfried.

From reader reviews:

Madeline Wayt:

What do you think of book? It is just for students because they're still students or the item for all people in the world, what the best subject for that? Only you can be answered for that query above. Every person has various personality and hobby for every single other. Don't to be pushed someone or something that they don't want do that. You must know how great as well as important the book The Ballet Called Swan Lake. All type of book would you see on many solutions. You can look for the internet methods or other social media.

Deanna Ratliff:

Do you among people who can't read pleasant if the sentence chained from the straightway, hold on guys this kind of aren't like that. This The Ballet Called Swan Lake book is readable by simply you who hate the straight word style. You will find the facts here are arrange for enjoyable reading experience without leaving perhaps decrease the knowledge that want to supply to you. The writer involving The Ballet Called Swan Lake content conveys objective easily to understand by most people. The printed and e-book are not different in the content material but it just different as it. So , do you even now thinking The Ballet Called Swan Lake is not loveable to be your top record reading book?

Alan Fan:

Do you like reading a guide? Confuse to looking for your favorite book? Or your book has been rare? Why so many query for the book? But any people feel that they enjoy with regard to reading. Some people likes studying, not only science book but novel and The Ballet Called Swan Lake or maybe others sources were given information for you. After you know how the great a book, you feel would like to read more and more. Science book was created for teacher as well as students especially. Those guides are helping them to bring their knowledge. In other case, beside science e-book, any other book likes The Ballet Called Swan Lake to make your spare time considerably more colorful. Many types of book like here.

Henry Reavis:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Ballet Called Swan Lake can make you really feel more interested to read.
