The Queen of the Frogs

Davide Cali

The Queen of the Frogs Davide Cali
An enchanting modern fable

The frogs enjoy their life at the pond, filling their days with fly brunches and night music. But one day a little frog finds a crown at the bottom of the pond and is instantly pronounced a queen. She starts doing what queens do: making demands and expecting others to serve her. But when her royal subjects start to question her authority, she must prove she's fit to rule—if she can.

Reminiscent of Aesop's fables, this beautifully illustrated book is sure to start a discussion about the concept of leadership and the importance of humility.
