Thirst: Clear Waters of Freedom Usha Selvam Sigamony
A aspiring fiction book relating to women, some of the struggles of being a woman by culture, religion, stature, work and family. Defining your own sense of womanhood can sometimes take a bearing from our own self until and beyond the time the line is crossed. As women we always become stronger for the toll of it all and often demonstrate resilience through our family and friends. We thank the many often, that dispute themselves to take refuge in us and we rise up each morning to thank God for seeing each new day, the miracle of being alive and well... surviving ill fates, accidents, and pioneering the ways again and beyond, maybe one day, God will tell us what He really thinks of the oldness and the newness we fashion into, when we need the place and date one day, opportunity missed, returns sold, following the limits we have seen done by us all.
