Till Freedom Cried Out: Memories of Texas Slave Life (Clayton Wheat Williams Texas Life Series)
Julie P. Baker
"I's born in Palestine Texas. I don't know how old I is. I was 9 years old when freedom cried out."

These poignant words begin the memories of a former Texas slave interviewed by W.P.A. field workers in Oklahoma during the 1930s. This account, along with thirty-two additional oral histories recorded as part of the Federal Writers' Project, describes life as a Texas slave—the family relations, entertainment, religion, work on the plantations, foodways, and punishment.

For decades the bondage of black slaves to white masters was part of everyday life in Texas, and by the eve of the Civil War almost one-third of the total population consisted of slaves.

Most works about slavery have been written from the white viewpoint, since most slaves were kept illiterate. This collection offers a clear-eyed perspective on this institution from the slaves themselves—their recollections from being sold away from their parents, suffering the pain of the overseers' lash, and being chosen to gratify masters' desires to finding emotional release in religious services, appreciating music and dancing, and enjoying an brief escape to the woods. Vignettes of daily life are sensitively brought to life in the skilled drawings of artist Kermit Oliver.

Enriched by these illustrations and by an introduction and postscript commentary by editors T. Lindsay Baker and Julie P.Baker, *Till Freedom Cried Out* presents vivid memories of lives and times inside the bonds of an institution that tried to break the tellers' bodies and souls.

From reader reviews:

Jose Rosales:

What do you in relation to book? It is not important together with you? Or just adding material when you really need something to explain what yours problem? How about your time? Or are you busy man or woman? If you don't have spare time to perform others business, it is make one feel bored faster. And you have free time? What did you do? Everyone has many questions above. They have to answer that question because just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this Till Freedom Cried Out: Memories of Texas Slave Life (Clayton Wheat Williams Texas Life Series) to read.

Julie Tice:

Exactly why? Because this Till Freedom Cried Out: Memories of Texas Slave Life (Clayton Wheat Williams Texas Life Series) is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will zap you with the secret the item inside. Reading this book alongside it was fantastic author who write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of positive aspects than the other book include such as help improving your skill and your critical thinking approach. So , still want to hesitate having that book? If I had been you I will go to the publication store hurriedly.

Francisco Morgan:

Reading a book being new life style in this year; every people loves to read a book. When you examine a book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, as well as soon. The Till Freedom Cried Out: Memories of Texas Slave Life (Clayton Wheat Williams Texas Life Series) provide you with a new experience in reading a book.

Mary Craine:

Is it you who having spare time in that case spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something totally new? This Till Freedom Cried Out: Memories of Texas Slave Life (Clayton Wheat Williams Texas Life Series) can be the reply, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?
