Cecily Brown: Rehearsal (Drawing Papers)

Cecily Brown: Rehearsal (Drawing Papers)
For the past ten years, British painter Cecily Brown (born 1969) has been turning heads with her voluptuous, quasi-abstract canvases. All the while, she has been making drawings, study upon study of motifs taken from a wide range of sources, including drawings by the 18th-century master William Hogarth, pages of animals from 19th-century encyclopedias and the cover of Jimi Hendrix's 1968 album *Electric Ladyland*.
Cecily Brown: Rehearsal is the first book devoted to the artist's drawings. The volume features approximately 75 drawings, many of which are being published for the first time. Arranged thematically, the book leads readers through Brown's repeated motifs.
