First Aid for Children Fast Peter Beale
Covering first aid treatment for everything from minor cuts and grazes to resuscitation, this book shows you through a series of photographs what to do in an emergency. Key pieces of information are indicated on the photographs and supplemenary advice which can be found alongside in the step-by-step text. The injuries are organised by type, in sections such as wounds and bleeding and bites and stings. However in an emergency, the thumbnail index on the back cover will direct you straight to the relevant page. There are also sections such as action in an emergency and bandages and dressings, that contain information for general reference.
