Loving Brian (Photography)
In his last book Howard Roffman spun the tale of 'Peter & Petr'. With his keen sense for intimate moments Roffman brings us closer to the irresistibly sweet and boyish Brian. Brian, at the threshold of becoming a man and still full of innocence, discovers his own body and those of his friends. The young men's sensual congress, captured on 128 large-format pages in gentle duo-tones allows the viewer to reminisce in his own memories of youth.
