Street Warrior: The True Story of the Legendary Malcolm Price, Britain's Hardest Man Malcolm Price, Steve Richards
They surround me and get me in a headlock. Everyone gets a boot in. So I lean down and twist the guy's legs. He lets go and I grab a glass and slice him across the face. A piece of flesh goes flying across the room. 'Who else wants a visit to the hospital?' I yell as everything kicks off...Malcolm Price was born to fight. As a child his father made him go and box in the gym. At first he didn't want to, but he soon found he knew how to punch and it wasn't long before 'Pricey' had become a feared and respected figure. His reputation was sealed when he won the Welsh Schoolboy Boxing Championships. He became a professional boxer but a misunderstanding led to him levelling a pub full of people as well as the pub itself. He lost his boxing licence and landed in jail for a six month stretch. Since then he has worked doors of some of the most fearsome nightclubs in the country. When gangs of thugs and liberty takers were causing trouble, Pricey would be called in to sort things out after everyone else had fled. Soon it was known that once Pricey had laid down the law, obeying it was the only way to stay out of hospital. This is the story of one of the most dangerous men in the country. As one of his closest friends says: 'Standing next to Pricey is like being next to a grizzly bear or a silverback gorilla. You can sense the sheer destructive force - its like an aura, and it's one you wouldn't want to mess with...'
