The Only Astrology Book You'll Ever Need, New Edition Joanna Martine Woolfolk
Bestselling author Joanna Martine Woolfolk has completely revised and updated *The Only Astrology Guide You'll Ever Need* for the first time in 19 years. Here is a book that with a few hours of reading will enable anyone to cast his or her own chart. It gives explanations of the influences that are often given scant attention in conventional astrology books: the moon signs, the rising sun, the placement of the planets, and the significance of the twelve houses. Woolfolk also discusses astrology in history and legend. Easy to use, this book supplies simplified tables that in most cases require only the laying down of a ruler across the birthdate.
