Peter warned us that Apostle Paul with the knowledge he received from on high, was writing letters that confused many. He stated that His letters contain some things that are hard to understand, which ignorant and unstable people distort, as they do the other Scriptures, to their own destruction.. (2nd Peter 3:15) By close examination we will soon read of that which is not heard in church's across America. This book attempts to step out of the boundaries of religion and theology and instead merely connect it's reader with a scriptural story about a people and their spiritual God. Visualizing refers to our ability to create pictures in our heads based on text we read or words we hear. It is one of many skills that makes reading comprehension possible. Many make the error of reading scripture without visualizing that which they read. Henceforth many in the world are deceived. (Revelations 12:9)
