Unfinished Business: A Comparative Survey of Historical and Contemporary Slavery

Joel Quirk

Unfinished Business: A Comparative Survey of Historical and Contemporary Slavery Joel Quirk Interest in contemporary slavery has increased dramatically over the last ten years, but there remains a widespread tendency to view slavery in the past and slavery in current society as independent fields of study. This book provides a comparative analysis of historical slave systems and modern forms of human bondage. From this standpoint, recent concerns over human trafficking, debt-bondage, child labor and other related problems are analyzed in view of the historical strengths and weaknesses of the legal abolition of slavery . By bringing together a range of studies on different aspects of slavery, both past and present, this book provides a platform for promoting dialogue about ways of addressing both contemporary slavery and the enduring legacies of historical slave systems.
