Lily Quinn, volume 2 Natalie Severine, Eric Severine
My name is Lily Quinn and I’m a sex-powered half-demon monster hunter. That sets my bar for weird pretty high. So trust me when I say there’s something really weird going on in this city. Volume 2 includes the middle four books of the Lily Quinn series: - Book 5: Raising the Dead - My name is Lily Quinn and I’m a sex-powered half-demon monster hunter. That sets my bar for ‘weird’ pretty high. So trust me when I say there’s something really weird about this job. I’ve got two dead College wizards, murdered by a… cute junior advertising executive? Rick Sung is no kind of monster I know of, so how the hell did an ordinary human manage to kill a pair of trained mages? And that’s only the beginning of the weirdness. I’ve got about a million questions for Rick, but first I need to catch him before he can kill anyone else. That shouldn’t be too hard. The guy is only human… right? - Book 6: One Night Sand- For eight years, I’ve hunted any monster that the College is willing to pay me for. They’ve pitted me against vampires, werewolves, fairy thieves, and even had me arrest a pair of their own rogue wizards. After all of that, it seems that I’ve finally earned a bit of trust. The College has a problem. A mummy named Ptah has managed to secure a stranglehold on real quicksilver, a rare alchemical reagent. I don’t do magic, but that’s exactly why they called me – wizards aren’t welcome in Egypt. So the High Magus is sending me in. First I need to get permission from the djinni to enter their lands and then try to negotiate with an immortal alchemist on behalf of the entire Merlinic order for a resource no longer obtainable anywhere else on Earth. No pressure. But I have some ideas on how to get them on my side. I can be very persuasive… - Book 7: Tangled Limbs - My name is Lily Quinn and my life is a strange one, I’ll admit, but it’s mine. I hunt monsters for gold and even when my plans to get them in bed go awry, I’ve still got my sex-fueled supernatural strength, speed and senses to take them down. I always get the job done. Right now, I have two jobs: take down a particularly bloodthirsty vampire, and make sure that Max’s new girlfriend is good enough for him. Two tasks of equal importance, if you ask me. Both of them seemed to be going just great, but then Max asked me to take a look at something, damage that reminds us both of a werewolf. No one’s said anything about a werewolf in the city, but there’s something out there. Something dangerous. Well, that’s what they pay me the big bucks to hunt down and deal with. Now I need to figure out what I’m up against and how to find it. I’ve got some long nights ahead of me. - Book 8: Coming Into Power - I’m Lily Quinn: half-succubus, monster hunter, insatiable sex fiend… but you know all that by now. So maybe it’s finally time to tell the first story, the one about how all of this began. How I discovered the whole supernatural world and my place in it. How I met Evaine and why she taught me how to fight. How I managed to convince the College that I wasn’t a monster. How I nearly lost Max forever. How I became me. These and all Lily Quinn stories contain graphic depictions of sexual acts. Lots of them. There’s other stuff, too, like fun stories and crazy adventures, but these books are definitely for adults only. You have been warned. Enjoy!

From reader reviews:

Cynthia Sharma:

As people who live in the particular modest era should be upgrade about what going on or facts even knowledge to make them keep up with the era which can be always change and progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice in your case but the problems coming to an individual is you don't know what one you should start with. This Lily Quinn, volume 2 is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Brian Kelley:

Reading a guide tends to be new life style in this particular era globalization. With looking at you can get a lot of information that will give you benefit in your life. With book everyone in this world could share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or their experience. Not only the story that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some study before they write on their book. One of them is this Lily Quinn, volume 2.

Melissa Peterson:

You can obtain this Lily Quinn, volume 2 by go to the bookstore or Mall. Just viewing or reviewing it could to be your solve difficulty if you get difficulties to your knowledge. Kinds of this reserve are various. Not only simply by written or printed but in addition can you enjoy this book by simply e-book. In the modern era like now, you just looking by your local mobile phone and searching what their problem. Right now, choose your current ways to get more information about your reserve. It is most important to arrange you to ultimately make your knowledge are still upgrade. Let's try to choose appropriate ways for you.

Leon King:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Lily Quinn, volume 2 can make you feel more interested to read.
