Starcrossed Mark Schreiber

A 2008 YALSA Quick Picks for Reluctant Young Adult Readers list nominee!

How can Christy Marlowe?an impulsive, wise-cracking horoscope-junkie?be in love with Ben, a well-mannered college freshman who prefers astronomy over astrology?

Their fateful first meeting takes place at a plastic surgeon’s office, where both hope to erase painful memories along with unwanted tattoos. Is it a bad omen that Ben has the same name as Christy’s ex-boyfriend, a drug-pedaling punk in juvie for murder? It’s hard for Christy to care when Ben sends her heart "racing through galaxies of bliss." Just as Ben is worried about Christy’s obsessed ex who’s back on the streets, Christy is troubled by the sadness lurking in Ben’s ice-blue eyes.

Burying the past isn’t easy and this comedy of love turns upside down when Christy and Ben become ensnared in their own lies. Starcrossed or starmates, can they forgo Romeo and Juliet’s tragic fate and find their way back to truth and trust?

From reader reviews:

Jacob Roberts:

In this 21st one hundred year, people become competitive in each and every way. By being competitive at this point, people have do something to make these survives, being in the middle of the crowded place and notice by means of surrounding. One thing that at times many people have underestimated it for a while is reading. Yeah, by reading a reserve your ability to survive raise then having chance to remain than other is high. For you personally who want to start reading the book, we give you this kind of Starcrossed book as basic and daily reading publication. Why, because this book is more than just a book.

Kevin Ortiz:

Reading can called mind hangout, why? Because when you find yourself reading a book specifically book entitled Starcrossed your mind will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely might be your mind friends. Imaging every single word written in a reserve then become one web form conclusion and explanation that maybe you never get previous to. The Starcrossed giving you one more experience more than blown away the mind but also giving you useful details for your better life on this era. So now let us explain to you the relaxing pattern is your body and mind will probably be pleased when you are finished reading through it, like winning a. Do you want to try this extraordinary paying spare time activity?

Michelle Jarvis:

Do you one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Attempt to pick one book that you just dont know the inside because don't evaluate book by its protect may doesn't work this is difficult job because you are afraid that the inside maybe not as fantastic as in the outside search likes. Maybe you answer may be Starcrossed why because the excellent cover that make you consider concerning the content will not disappoint you actually. The inside or content will be fantastic as the outside as well as cover. Your reading sixth sense will directly guide you to pick up this book.

Nancy Byrom:

Reading a guide make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book. Book is published or printed or highlighted from each source that filled update of news. On this modern era like currently, many ways to get information are available for an individual. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your book? Or just trying to find the Starcrossed when you desired it?
