Those armed with The Grand Canyon Handbook, however, will be wise to all the tricks for having the best possible time at the park. They'll know when to go, what to bring, what to see, and how to see it. They'll be properly equipped for a safe visit. They'll have a matchless grasp of all the facts, from how the canyon was formed down to the closest place to rent camping gear. There's even a table of sunrise/sunset times, so readers won't miss any meteorological light shows unless they want to.

This detailed and engaging guide, narrated by a seasoned cartoon ranger named Jack, includes illuminating notes on the park's flora, fauna, history, and future prospects.
