The Mermaid and the Partridge (Studies on the Texts of the Desert of Judah) George J. Brooke Jesper Høgenhaven
For some years a project has been under way to carry out a thoroughgoing revision of volume V in the series Discoveries in the Judaean Desert (of Jordan). The team of scholars responsible for the new edition - including many who have written monographs or extensive studies on the respective manuscripts for which they have now assumed responsibility - was invited by the Department of Biblical Exegesis of the Faculty of Theology at the University of Copenhagen to meet in Copenhagen in June 2009. The conference offered the opportunity for the presentation of some working papers on topics that were of particular concern to the individual contributors to the revision. The present volume represents the ongoing work on the edition, and reflects the development in approaches and viewpoints since the texts were first published (1968) as well as important aspects of the present Qumran scholarship.
