El nuevo mundo descubierto por Cristóbal Colón- The New World Discovered by Christopher Columbus: Una comedia en tres actos por Lope de Vega/A Play in ... (Iberica) (English and Spanish Edition) Robert M. Shannon
This book distinguishes itself from other editions of *El nuevo mundo* in that it is the first critical edition of the play by Lope de Vega that, in the absence of a known manuscript, is based on the existing three *princeps* editions: Madrid, Barcelona, and Pamplona, 1614. This critical edition is also unique in its juxtaposition of Spanish poetry with an English prose translation. The introduction to this bilingual critical edition places *El nuevo mundo* within the ideological context of seventeenth-century theater; suggests 1600 as the date of the play's composition; explains the purpose of allegory; shows the challenges of staging the play; offers a stemma of recent editions; and analyzes the rhyme scheme of the Spanish verse.
