Institutions, Property Rights, and Economic Growth: The Legacy of Douglass North

Institutions, Property Rights, and Economic Growth: The Legacy of Douglass North
This volume showcases the impact of the work of Douglass C. North, winner of the Nobel Prize and father of the field of new institutional economics. Leading scholars contribute to a substantive discussion that best illustrates the broad reach and depth of Professor North's work. The volume speaks concisely about his legacy across multiple social sciences disciplines, specifically on scholarship pertaining to the understanding of property rights, the institutions that support the system of property rights, and economic growth.
