Remember Me

Michelle N. Onuorah

Remember Me Michelle N. Onuorah
Kristen Tyverson lives the ideal life. Happily married, with three children, she has worked her way to becoming one of the most successful reporters in the country. While reporting on conditions in Afghanistan, she is severely injured during a bombing. For months, she is presumed dead, and her family mourns her passing, unaware that she has survived. When she is found alive, it is revealed that she has no recollection of the past 10 years of her life. Her husband, her children, her career: all a mystery to her. Grateful to have his wife back and determined to hold their family together, Mark Tyverson makes it his mission to win his wife’s heart again — regardless of whether she remembers him or not. Remember Me is a story that traces the hard work of piecing back a life torn apart by memory loss. It explores the hardship both the victim faces as well as those around her, robbed of the person they know when she is robbed of the memories she had. Will Kristen, Mark, and their three children be able to rise to the challenge? **Please note there is occasional cursing and various references to sexuality and spirituality within this work of fiction. Reader discretion is advised.**
