The Development of the Christian Science Idea and Practice

Max Kappeler

The Development of the Christian Science Idea and Practice Max Kappeler
This book is a short survey of the subject, and follows the correlation between a developing understanding of Christian Science and the evolving sense of practice It follows the emergence of the idea of Christian Science, the steps of Mary Baker Eddy's own spiritual development, and the evolving understanding emerging from the work of pioneering thinkers in Christian Science. For anyone interested in investigating the issue of spiritual healing, this book is invaluable, for it clearly explains the difference between mind/faith healing and healing through the Science of Being.
