The Little Black Book of Design Adam Judge
Across the realms of multimedia production, information design, web development, and usability, certain truisms are apparent. Like an Art of War for design, this slim volume contains guidance, inspiration, and reassurance for all those who labor with the user in mind. If you work on the web, in print, or in film or video, this book can help. If you know someone working on the creative arena, this makes a great gift. Funny, too.
