Up Close and Personal with the Urantia Book - Expanded Edition JJ Johnson
This Expanded Edition of Up Close completes my philosophical description of The Urantia Book's holistic character by adding the new chapter relating science with religion - The COSAR Principle - A Revelatory Proposition. The Coordination of Science and Religion (COSAR) as revealed in The Urantia Book breaks down the barriers between religion and science. This new chapter with the accompanying spiritual message prepares the ground for a higher order of spiritual and social living.
