Firehouse Publishing

Vitruvian Lens - Edition 5: Fine Art Male Photography (Volume 5) Firehouse Publishing
Vitruvian Lens strives to discover and showcase photographers with a fine art approach to the male figure in their work. We offer a non-erotic option to those who love figurative art with an international point of view. Our in-depth interviews explore their thought processes, choices, and struggles in a way no book does; a buffet for the connoisseur of figurative art. This fifth edition includes a cover image and interview with West Phillips (USA), and rear cover and interview with Aurelio Monge (Spain). Additional interviews include Marc Kiska (France/Norway), Joan Alsina (Spain), André DeLoach (USA), and Richard Stabbert (USA) to round out this international edition. Grady Harp, art historian, includes an article about vintage male photography from Baron Wilhelm von Gloeden.
