Answered by Silence: a collection of poems

Theresa Varela

Answered by Silence: a collection of poems Theresa Varela
This collection of poems is gathered from the heart of the author's child-self. It tells the story of her experience of the illness and ultimate loss of her older sister and breaks the silence that is often coupled with childhood grief. These verses are offered in plain, stark language that resonates with readers of all ages and are the elixir for a powerful alchemical process of collective healing.
