Derek Van Derven

Copying Odd Nerdrum's Painting "Man With Golden Coin" Derek Van Derven
This is the best Odd Nerdrum copy I have ever done. Things could change as I might do more in the future. But if you only buy one Odd Nerdrum Copy book, this should be the one. I have a BFA degree in painting from Rutgers University, 12 years of experience copying Odd Nerdrum's paintings, and over 20 years of experience painting and drawing like the "Old Masters". Learn the rare and fantastic techniques of Norwegian figurative painter Odd Nerdrum in this picture packed book, all of the technique is supported by my conversations with former Odd Nerdrum students. This book is the best step by step book I have ever written, with the most close up images, and the most steps in between sessions so you can easily copy what I have done. Learn the knife painting technique, the glazing technique, and the sandpaper and razor blade scraping technique of Odd Nerdrum. If you buy this book, you will not be disappointed. I highly recommend buying the "ebook" version of this book to go along with it as the images in the ebook are Crystal clear and colors vivid.
