Let’s talk about sex. We might as well talk about it, because it’s everywhere. Our culture continually bombards us with its way for sex in movies, television shows, music, magazines, and other media. But do you know that God has a way for sex, too? In fact, He created sex?it was His great idea! In No Trespassing: I’m God’s Property, Leah Holder proposes that God’s way is the best way.

Leah first explains why we should follow God’s rules for sex. In addition to faith-based reasons, she highlights practical reasons, such as sexually transmitted diseases, unplanned pregnancies, and mental health issues. Then, Leah answers the next big question: How? Is it even possible to follow God’s way for sex when so many people don’t? With clarity, transparency, and humor, Leah presents Biblical truths and personal testimonies regarding how we can be sexually pure within this sex-crazy world.

No Trespassing contains three brief sections?mind, body, and heart. Within them, Leah provides practical tips to guide us on our journeys to sexual purity. If we’re already on the sexually-pure path, we’ll be encouraged to remain on it. If we’ve departed from the sexually-pure path, or if we’ve never been on it, we’ll be reminded of God’s love and forgiveness, and we’ll be directed to the way to purity.

Out of her love for God, others, and herself, Leah Holder has committed to live sexually pure. Although she falls far short of perfection, the Lord has enabled her to live in consistent victory over sexual sin. The advice she provides in No Trespassing isn’t based on a theory she heard about but on a reality she lives! After reading No Trespassing, Leah hopes you will experience the victory and freedom that she enjoys.
