Rural Reminiscences: The Agony of Survival

Kenneth Hassebrock

Rural Reminiscences: The Agony of Survival Kenneth Hassebrock
Rural Reminiscences is a poignant record of one family's survival during depressed economic times. It also details the management of a highly diversified farm operation that was changing from horsepower on the hoof to under the hood. It explains and describes the operation of farm machinery powered by draft horses and the frustrations farmers experienced as they tried to adapt to the internal combustion engine.
