The Birds of Singapore (Images of Asia)

Clive Briffett

The Birds of Singapore (Images of Asia) Clive Briffett
This colorful book introduces nearly 200 species of resident and migratory birds that have been recorded in the country of Singapore. A short account describes each bird's distinguishing features, habits and habitats, distinctive calls, and viewing tips. The book emphasizes the importance of conservation for preserving bird populations and gives important information on the abundance and status of the different species. Easy to understand and use, the guide will interest professional ornithologists as well as amateur bird watchers.
