Dark: Stories of Madness, Murder and the Supernatural (Adrenaline)

Dark: Stories of Madness, Murder and the Supernatural (Adrenaline)
Elizabeth Gaskell locks us in a room with a woman who is losing her mind - slowly; Will Self offers a vision of hell that would frighten Hannibel Lecter; Patrick McGrath gives us the world's worst mother and the darkness in which she lives; Thomas Harris introduces you to a madman who will chew off your lips, tie you to a wheelchair, and set you on fire... for starters; Iain Banks shows us evil in the mind of a child, ruined by the malice of a father. Bret Easton Ellis abandons us to the rage of a young man whose brutality will haunt your nightmares long after you've forgotten literature's other psychopaths. Also includes work by writers such as Stephen King, Anne Rice, Patricia Highsmith, Joyce Carol Oates, Paul Bowles, Charlotte Perkins Gilman, and Shirley Jackson. Like all Adrenaline books Dark includes only first-rate prose, offering a vision of our capacity for evil - and a reminder of how much we love to be frightened.
