Saucy, Suggestive and Smutty Word Search for Adults Only Daniel Blue
I hope to sell enough copies of this book to be able to buy a bar of soap to wash my filthy mouth out with. I tell you, coming up with these saucy, smutty, suggestive, rude, naughty, risque, filthy and dirty word search puzzles leaves me wanting to lie down in a darkened room for a while. If you are stressed, and in need of some light relief, step right on in. Find the filthy words and surprise yourself at just how many you know. If you are in any way shy, retiring, conservative or easily offended you might want to pass this one by. Or get yourself a bottle of smelling salts before you begin, in case you need to be revived.
