Treasures of Nirvana

Gillian G. Gaar

Treasures of Nirvana Gillian G. Gaar
Spawned in the intensely fertile music scene that blossomed in and around Seattle in the late 1980s, Nirvana instantly distinguished itself from the bulk of its peers by virtue of the singular passion that drove its leader, Kurt Cobain. Few were prepared for worldwide Nirvana-mania set off by the 1991 release of 'Nevermind'. With the instantaneous success of "Smells Like Teen Spirit," the album stormed the charts. Their next album, In Utero, was the last studio recording released by Nirvana: the demons that made Cobain's writing so powerful took their toll: he took his own life less than a year later. Although the band released just five albums, Nirvana's influence is certain to be felt for many years to come: "Treasures of Nirvana", an unofficial publication, will show the multiple reasons behind that impact through the words of the band, their friends and their colleagues. Through interviews with those close to the band coupled with intensive archive research, the unique status this band occupies - as representatives of the time, and as timeless songwriters - will be revealed.
