Ngaio Marsh

When in Rome: Inspector Roderick Alleyn #26 (Inspectr Roderick Alleyn) Ngaio Marsh
In 1968 Ngaio Marsh took her own Roman holiday (in part to research Italian police procedures) and the change seems to have done her good: Both her British and U.S. agents believed *When in Rome* to be the finest novel in her "Inspector Alleyn" series. As is so often (and so satisfyingly) the case, the tale concerns a murder within a closed group—in this case, a group of tourists visiting what Marsh calls the "Basilica di San Tommaso," who find themselves fumbling into a complex web of blackmail and drug-smuggling. Adding some irresistible color are depictions of both *La Dolce Vita* (of which Marsh took a jaundiced view) and the student radicals of the day, whom she seems to have found somewhat more persuasive. All in all, a brilliant example of classic Golden Age plotting melded with a decidedly Space Age cast.
