A Dazzle of Dragonflies

Forrest L. Mitchell, James L. Lasswell

A Dazzle of Dragonflies Forrest L. Mitchell, James L. Lasswell
From fossils and folklore to life cycles and the latest in digital imaging techniques, *A Dazzle of Dragonflies* will take you into the far-reaching and sometimes secret world of one of our most beneficial insects. The guides are two of the most experienced and ardent fans of the “mosquitohawk,” and your journey will include encounters with poets and prehistoric giants; peeks into hidden, watery universes; side trips to garden ponds and scientific laboratories; and much more.

Pioneers in the electronic imaging of insects and creators of the award-winning website Digital Dragonflies, the authors share their spectacular scans of live dragonflies, enhanced with beautiful photographs that showcase them in their natural environment.

Imparting a lifelong passion for these remarkable creatures, the authors also ask us to join them in some hands-on activities to increase our awareness of and interaction with dragonflies–from tips on creating a dragonfly garden to instructions for catching, photographing, and scanning them.

Get ready to have your eyes opened by this true education about all things “dragonfly.”

From reader reviews:

Barbara Cook:

Nowadays reading books become more and more than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want send more knowledge just go with schooling books but if you want sense happy read one together with theme for entertaining for instance comic or novel. The particular A Dazzle of Dragonflies is kind of e-book which is giving the reader erratic experience.

Charlotte Ramsey:

A lot of people always spent their free time to vacation as well as go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent they will free time just watching TV, or playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read a book. It is really fun to suit your needs. If you enjoy the book which you read you can spent the entire day to reading a e-book. The book A Dazzle of Dragonflies it is extremely good to read. There are a lot of individuals who recommended this book. They were enjoying reading this book. In the event you did not have enough space to develop this book you can buy often the e-book. You can m0ore simply to read this book through your smart phone. The price is not to cover but this book has high quality.

Charlotte Womble:

Your reading 6th sense will not betray an individual, why because this A Dazzle of Dragonflies e-book written by well-known writer who really knows well how to make book which might be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas and creating skill only for eliminate your hunger then you still doubt A Dazzle of Dragonflies as good book but not only by the cover but also from the content. This is one e-book that can break don't assess book by its include, so do you still needing yet another sixth sense to pick that!? Oh come on your reading through sixth sense already alerted you so why you have to listening to an additional sixth sense.

Jeff Keenan:

What is your hobby? Have you heard this question when you got students? We believe that that problem was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. So you know that little person including reading or as looking at become their hobby. You have to know that reading is very important in addition to book as to be the thing. Book is important thing to add you knowledge, except your current teacher or lecturer. You get good news or update regarding something by book. Amount types of books that can you take to be your object. One of them is actually A Dazzle of Dragonflies.
