So, I become my alter ego, JoJo, and fix college basketball games. Hey, a victimless crime,no one's the wiser, and it's better than the alternative, which is a drive into the desert with my loan shark and a shovel in the trunk.

I love Vegas, and I love the life I've built, but when one of my friends is murdered, and another one shot at, I know I need to take a serious look at myself. And I need to call in the big guns. Even if that means teaming up with detective Jack Schiller, a man who's dealing with his own problems.

Right now I'm just trying to juggle protecting my friends, helping detective Jack while not letting him get too close, and finding a murderer.And, oh yeah, no one can learn about JoJo. Or this will be the last hand I'm dealt.
**NOTE: The case is solved, the perpetrator caught, but thereare a few threads that are continuing on through the next book and theseries.*
