2013 - 2014 Busy Grandparents Daily Planner -

- Are you a **busy grandparent** with multiple grandkids in different activities?
- Do you love watching Jimmy play soccer and Jane play softball but sometimes find it difficult to keep track of who is playing when or where?
- Worst yet are you responsible for helping to get your grandkids to some of these games or practices while their parents go in different directions?
- What if you have five or more grandchildren how do you keep track of all the different dates and places?

Now add to this hectic family schedule your own appointments like doctors, meeting friends for lunch, work related functions or if you are retired, golf or other activities, and you have a full calendar.

With the **Busy Grandparents Daily Planner,** you no longer need to wonder what you meant when you wrote those abbreviated cryptic notes on the wall calendar. With the Busy Grandparents Daily Planner **system** you simply write a name and number on the calendar in the date of the activity and on the corresponding page there is more than enough room to write next to the designated note all the details for that appointment or activity. ***Never miss the grandkids ballgame again!***

Look at the sample to see how easy this **Daily Planner** is to use. It was designed by two ***busy grandparents*** after they had three granddaughters, playing softball on three different teams on three different fields. This **simple system** works great for them and it will work for you too.
