Day Hikes On the California Central Coast Robert Stone
The Central California coast has some of the most spectacular scenery in the state. Rugged coastal terraces are backdropped by mountain ranges that run parallel to the Pacific coastline. Picturesque communities dot a landscape abundant with valleys, white sand beaches, cool forests, and natural preserves. The surf crashes onto craggy headlands and carved canyons along the Big Sur stretch of coast.
Day Hikes On the California Central Coast includes 120 hikes along 400 miles of coastline between San Francisco and Los Angeles. The hikes describe how and where to access the best trails and features from Highway 1, offering many opportunities to explore the beautiful landscape. Highlights include tidepools, off-shore rock formations, huge dunes, wildlife observation sites, expansive overlooks, canyons, waterfalls, and lighthouses. The best trails in the state and county parks are featured, as well as city trails that are often overlooked. A wide range of hikes accommodates amateur to avid hikers.
