Inclusive Leadership: The Definitive Guide to Developing and Executing an Impactful Diversity and Inclusion Strategy: - Locally and Globally Charlotte Sweeney, Fleur Bothwick

The most successful organisations are those with the most diverse and engaged workforces. Studies show an 80% improvement in business performance among those with high diversity levels. When people feel included and able to reach their full potential, they are more engaged, more productive and often more creative.

Inclusive Leadership will help you drive culture change using organisational development principles. It takes you through the key components of leading change throughout the employee lifecycle, your supply chain, and through product development. Crucially, it will help you make a genuine impact on your business, through your people, both now and in the future.
