**Migrating to Microsoft Office 2000** Laura Stewart
Have you ever gone home on Friday, only to come back on Monday to an entirely new suite of applications on your desktop? Ever fumbled through menus and screens trying to figure out how to do the same work you've always had to do. Frustrating, isn't it? Migrating to Office 2000 is designed for the common "victim" of upgrading to a new software package. Even the most savvy users struggle to return to productivity in the wake of upgrades, and what you are looking for is just what has changed. This book doesn't focus on reasons to upgrade or total cost of ownership discussion--just where the buttons are now so you can go on with your work.
