Atlantis and Lemuria

Rudolf Steiner

Atlantis and Lemuria Rudolf Steiner
There was a time when a continent called Atlantis still lay between Europe and America. This portion of the world’s surface was at one time land; this land now forms the bottom of the Atlantic Ocean. Plato alluded to the last remaining remnant of that lost continent when he sopke of the Island of Poseidon. Countless publications are dedicated to proving that Atlantis existed and attempt to discover the location of the Lost Continent. Here, accepting the existence of Atlantis, the author pontificates on the spiritual condition of soul attempts to indicate the inner nature of the conditions under which they lived. An interesting discourse on the evolution of the Atlantean and Leumurian race as revealed by the Akashic records.

Dorothy Betancourt:

This Atlantis and Lemuria is great guide for you because the content and that is full of information for you who all always deal with world and also have to make decision every minute. This specific book reveal it facts accurately using great organize word or we can point out no rambling sentences inside it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with lovely delivering sentences. Having Atlantis and Lemuria in your hand like obtaining the world in your arm, facts in it is not ridiculous just one. We can say that no e-book that offer you world with ten or fifteen tiny right but this e-book already do that. So , it is good reading book. Heya Mr. and Mrs. stressful do you still doubt which?
