British Auto Legends: Classics of Style and Design (Auto Legends Series) Michel Zumbrunn, Richard Heseltine
The British motor industry has created many of the world's landmark car designs. Its famous names - Jaguar, Bentley, AC, Rolls-Royce, Aston Martin - are inextricably linked with some of the most recognized and coveted cars ever made. This beautifully presented book gathers together more than 50 of the most significant British cars designed between 1907 and the present, each one a milestone of British motoring heritage. With an introduction describing the often tortuous story of British motoring and its great marques, a succinct description of each car's history, design and performance, and unparalleled images by one of the world's foremost car photographers, this book is an authoritative tribute to the nation that gave the world the sports car. This book is a stunning collection of more than 50 British car legends, including many of the most seductive and exhilarating cars ever made. It features biographies of all the key designers, a full technical glossary and details of where the cars may be seen worldwide. It is a sumptuously produced book that will appeal to classic car enthusiasts worldwide.
