Dr. Teef (The Chronicles of South Jersey) R. Rakeem Miller Sr.
Dr. Gabrielle Sanderson wanted to create an academic juggernaut in the city of Camden. Yet budgetary constraints and economic woes threatened to curtail her ambition, fueled by lust, greed and envy. Never one for giving up, Dr. Sanderson collaborates with a fellow educator to create an unethical, “full-proof” plan destined for success. In the process, she alienates and manipulates those close to her in order to satisfy her ambitions for their lives. What she doesn't factor in her “master” plan is the fortitude of those around her to stop her and take back control.
