Do you wonder if you have an important call with destiny? That you have been selected for something? A cause of a higher purpose? Well you have been chosen and the why, when, where and how is the subject of this book. Explore Your Destiny is divided into four sections. Each section supplies one more piece of the puzzle for you to place, so you can look at your life’s arc with new insights. 1. Why – Why are we here and why must we live what we are living through right now? It’s the age old expression, that we all say at one time or another, “Why me?” Well there is a reason and it will be explained to you. 2. When – In what period along your souls timeline is all of this happening? Yes, there is a greater context of your soul, which you may not be aware of. Knowing your relative position in the path to perfection will guide you to understanding your current life. 3. How – How does all of this occur? How does the entire process affect your destiny and actions? What are the rules of the game? Knowing the structure and comprehending the basic laws that direct your life provides you with a point of view that will put everything into perspective. 4. Where – Where is this world that plans our destiny? Are there good places to be and are there bad? Where does the earth fit into the logical structure? You will see where the regions that you are striving to attain are and where you may be living in your not-to-distant future.
