Practical Truths from Elisha

Alfred Edersheim

Practical Truths from Elisha Alfred Edersheim
Here is a complete Scriptural account of the life and work of the prophet Elisha. It is written in typical Edersheim fashion, featuring thorough research, solid exposition and many spiritual applications. It is not a critical or historical commentary, but one geared at following the Biblical map of the life and work of Elisha, with a view of pointing out the moral and practical truths. What a remarkable combination this exposition is: One of the finest Biblical scholars to ever live; one of the most powerful prophets to ever live; and practical applications for all who presently live. The result is Alfred Edersheim's "Practical Truths From Elisha." A trip through this classic will increase the reader's knowledge and love for one of God's choice servants, Elisha.
