Woman's Journal: Affirmations and Inspirational Quotes Tina A. Hull
This journal was created for all the women in this vast world. You are amazing, wonderful, special and a blessing to all you come in contact with. Too many of us have the negative voices repeating in our heads and I wanted to help change that. I was inspired by a course I was taking and each time we had to repeat 5 times, "I am great." After repeating it so many times I began to not just say the words but believe it to be true. Positive affirmations are mixed with inspirational, motivational and thought provoking quotes to drown out those negative voices in your head and change them into positive ones, while you write your thoughts and feelings. Know that you are the best you there is, you are unique and you are great! Enjoy the journey of writing and keep the positive voices in your head. You owe it not only to you but to the world! The sky is the limit!
