Fundraising is hard.

Most of us don't even know where to start. The idea of asking for money makes us uncomfortable. Or we become so overwhelmed with all that we could do that we end up doing nothing. Popular books on the subject present complicated strategies that you need a finance degree to decipher. And even if we could figure it out, their methods aren't a fit for the scale of our project. The problem is that we have a dream that needs funding.

We have a vision.

We have a worthy cause.

And in order to meet our goals or help those in need, we have to piece together a fundraising strategy that works.

In Fundraising Rocket, Casey Graham (CEO and Founder of The Rocket Company) unpacks a simple, one-page plan to fundraising. In this book, Casey walks you step-by-step through the easiest way for anybody to raise money for anything.
