Studio Visual Steps
This book is suitable for Windows 8.1!
More Windows 8 for Seniors is highly recommended for everyone who wants to get the most out of their Windows 8.1 computer! If you want to learn more about Windows 8.1 and gain in-depth knowledge of this operating system, this is the ideal book for you. In this book you will learn how to order files, and create and use libraries, among other things. You will also learn how to create and manage user accounts. It can come in handy to have multiple user accounts, if your computer is used by more than one person.Are you interested in photo editing and managing your music? With the Photos app and the Windows Live Photo Gallery program you can easily edit your photos, and with Windows Media Player you can manage your music. After you have transferred your CD collection to the computer, you can create playlists with all your favorite songs, and play them on your computer. In this book you can also read more about burning files to CD or DVD, and about computer maintenance. For instance, you can clean up and optimize your hard drive, which will make the computer work more efficiently. Finally, you will also learn how to create restore points and a backup.
More Windows 8 for Seniors is highly recommended for everyone who wants to get the most out of their Windows 8.1 computer!

Learn how to:

- Adjust your workspace
- Create user accounts
- Work with photos
