Candyass

Nick Comilla

Candyass Nick Comilla

Arthur is a young gay man in Montreal at a crossroads. He gets lost in a blizzard of boys and endless possibilities—looking to fall in love and to experience devotion—but he finds himself increasingly immersed in a world of hedonism and deception, especially as he deals with the messy remains of his relationship with Jeremy, his chimerical ex-boyfriend and first love. He moves to New York in search of something more, but due to a lack of foresight and chaotic romantic entanglements, he finds he still yearns for authentic connections with others. In a world that celebrates youth and extended adolescence, what does it mean to grow up?

Candyass is a coming-of-age novel with hard edges and a soft heart: a striking debut work about what it means to be young, queer, and urban today; a radical chronicle of queer love and desire among millennials, whose feelings and impulses flicker and fade along with the bright lights of the city at night.

Nick Comilla lives in Brooklyn, New York.
