Foucault, Biopolitics and Governmentality

Foucault, Biopolitics and Governmentality
About the book: Foucault's work on biopolitics and governmentality has inspired a wide variety of responses, ranging from philosophy and political science to history, legal studies, and urban planning. Drawing on historical sources from antiquity to twentieth century liberalism, Foucault presented us with analyses of freedom, individuality, and power that cut right to the heart of these matters in the present. About the series: Södertörn Philosophical Studies is a book series published under the direction of the Department of Philosophy at Södertörn University, Sweden. The series consists of monographs and anthologies in philosophy, with a special focus on the Continental-European tradition. It seeks to provide a platform for innovative contemporary philosophical research. The volumes are published mainly in English and Swedish. The series is edited by Marcia Sá Cavalcante Schuback and Hans Ruin.
